

GIVE THEM WHAT THEY WANT. DIRECTV.

With a single-dish solution, DIRECTV will upgrade your multifamily property with the best HD technology and TV experience available—**all at no cost to you.** It's easy and hassle-free.

DIRECTV makes upgrading your property easy

By choosing DIRECTV, you'll:

- **Get a simple, single-dish solution**—There will no longer be any dishes on balconies. Any individual resident dishes throughout your property can be quickly removed at our cost.
- **Experience zero resident disruption**—There's no need to access individual units for wiring. In fact, most properties can be completely upgraded in less than two weeks!
- **Give your residents America's #1 satellite TV service**—Every resident can have access to DIRECTV, the best alternative to cable.

Attract and keep residents

- 99.9% signal reliability.
- Record your favorite shows with a single click.
- DIRECTV has 160 of the best HD channels.¹
- DIRECTV offers more sports programming in HD than any other cable or satellite provider.²
- DIRECTV Más™ service offers the most comprehensive Spanish- and English-language programming packages available at an affordable price!
- DIRECTV offers you top quality international networks with over 65 channels in 13 languages from around the world, including China, Russia, Italy, the Philippines, Korea, India, and Ukraine.
