

Greetings,

My Name is Mr. Jamil Ibrahim ElHalabi, a Bank Officer here in Abu Dhabi, here in United Arab Emirates. I am writing in regards to an opportunity in my office that will be an immense benefit to both of us. I have been in search of someone in your country for this business transaction that I am about to explain to you, so when I saw your contact details online, I was pushed to contact you and see how best we can assist each other. I believe it is the wish of God for me to come across you now

In my department I discovered an abandoned sum of US\$26,700,000.00 (Twenty Six Million, Seven Hundred Thousand US Dollars) in an account that belongs to one of our foreign customers Late Mr. Amir Khouri, an Iraqi Foreign Oil consultant /contractor with **OIL AND NATURAL GAS INDUSTRY**, who unfortunately lost his life in the May 26, 2006 Earthquake disaster in Jawa, Indonesia that killed over 5,000 people. He was in Indonesia on a business trip and that was how he met his end. Personally I have been un-successful in locating the relatives for the past 4 years and the information I got from the Iraqi Government is that none of his family member survived the 2 Gulf wars. Therefore I seek your consent to present you as the next of kin / Beneficiary so that the proceeds of this account valued at US\$26,700,000.00 can be paid to you instead of letting the bank confiscate the money since nobody has shown up for the claim or applied in writing for 4years since the Earthquake happened.

My bank management is yet to know about his death, I knew about it because he was my friend and I was also his account relationship officer. Amir Khouri did not mention any Next of Kin/ Heir when the account was established, and he was not married and no children. Last week my Bank Management requested that Amir Khouri should give instructions on what to do about his account, if to renew the contract. I know this will happen and that is why I have been looking for a means to handle the situation, because if my Bank Directors happens to find out that Amir Khouri is dead and do not have any Heir, they will take the funds for their own personal use, so I don't want such to happen. That was why when I saw your contact details online I was happy and I am now seeking your co-operation to present you as Next of Kin/ Heir to the account, since you come from the same country with him and my bank head quarters will release the account to you. There is no risk involved; the transaction will be executed under a legitimate arrangement that will protect you and me from any breach of law.

It is better that we claim the money, than allowing the Bank Directors to take it, they are rich already. I am not a greedy person, so I am suggesting we share the funds equal parts, 50/50% to both parties, my share will assist me to start my own company which has been my dream. Let me know your mind on this and please do treat this information as TOP SECRET. We shall go over the details once I receive your urgent response.

Have a nice day and God bless. Anticipating your urgent response.

Best regards,

Mr. Jamil Ibrahim ElHalabi.
