

Attn: Cusack,

I am Barrister Idris Yahaya, a solicitor at law. I am the personal attorney to Late Mr John Cusack Who used to work with Shell Development Company in Nigeria. On the 21st of April 2002, my late client, his wife and their three children were involved in a car accident along Sagbama Express Road.

All occupants of the vehicle unfortunately lost their lives. Since then I have made several enquiries to locate any of my late client's extended relatives; this has also proved unsuccessful. After these several unsuccessful attempts, I decided to trace his surname over the Internet, to locate any member of his family; hence I contacted you.

I have contacted you to assist in repatriating the money and property left behind by my late client before they get confiscated or declared unserviceable by the bank where these huge deposits were lodged.

Particularly, the bank where the deceased had an account valued at about 4.5 million dollars has issued me a notice as his personal attorney to provide the next of kin or have the account confiscated within the next ten official working days.

Since I have been unsuccessful in locating the relatives for over 2 years now I seek your consent to present you as the next of kin of the deceased since you have the same surname so that the proceeds of this account valued at 4.5 million dollars can be paid into your account; then both of us can share the money, 50% to me and 40% to you and 5% will be shared to various charity homes, old people's home and motherless babies homes, 5% will be set aside for miscellaneous expenses made by both parties.

I have all necessary legal documents that can be used to back up any claim we may make. All I require is your honest cooperation to enable us see this deal through. I guarantee that this will be executed under a legitimate arrangement that will protect you from any breach of the law.

Please get in touch with me by email to enable us discuss further.

Best Regards,

Barrister. Idris Yahaya
