**From the desk of
Director: United Nations
Foreign Payment Center
London united kingdom**

This letter is from United Nations Foreign Payment Center newly invented by the World Financial Service Authority United States Of America/United Kingdom.

This body was set up to discover an outstanding unpaid fund being owed by Governments, Companies or Individuals all over the world through Contract Payment, Inheritance, Consignment and Lottery Winning Prize, your name appeared among the beneficiaries who will receive a part-payment of USD\$5,000.000.00 (Five Million United State Dollars Only) which has been approved yesterday.

It will interest you to know that we have discovered an outstanding payment unclaimed in your name and a mandate has been given to this body, United Nations Foreign Payment Center to ensure that this fund gets to you without any delay.

Note that a special payment arrangement has been made with our paying Bank to transfer the said fund directly to your Bank account or alternatively come in person to our Bank.

You are hereby advised to urgently furnish this office with your detailed information to enable us open up communication with you regarding the release of your fund immediately. Please update this body if you have paid any fee in respect of your claims. This is very necessary to this body because understood that people you trust have been the problem behind the delay of your payment and they have mislead you which has made some to pay too much fee wrongly without been paid.
