

FROM OFFICE OF THE DIRECTOR
PROJECT IMPLEMENTATION UNIT
DEPARTMENT OF MINERALS AND ENERGY
REPUBLIC OF SOUTH AFRICA

Greetings,

I am the CEO / Chairman of contract award committee of Department of minerals and energy Republic of South Africa.

It is my profound intention to contact you for this very important and highly confidential transaction for the transfer of US\$35,000, 000.00 into your account. The (US\$35,000,000.00) was the overestimated balance from the contracts awarded to both foreign and local contractors the real contract value was US\$120 million united states dollars, but it was over estimated to the tune of (US\$155, 000, 000, 00) (One hundred and fifty five million United States dollars only).

The contract has been successfully executed by the contractors and their contract sum of (US\$120M) has been paid to them, leaving the overestimated balance of (US\$35,000,000.00) United States dollars still pending at the bank. Right now, we are left with this over estimated balance of (US\$35M) which is still floating at the escrow account in the South African reserve bank awaiting final payment to any reliable foreign bank account you may provide if you are interested to work with me in straight confident.

I want to use this opportunity to invest or buy business/properties in your country, I am therefore asking you to co-operate with me so that the fund will be released and transferred into your account. If you are interested in this my proposal, reply me so that we can negotiate your percentage before we can proceed however, when the fund is transferred into your account over there, I shall obtain visa and travel with my family over there for my own share and investment of this money.

On receipt of your acceptance letter and a mutual agreement is reached between us, I will send to you all the vital documents relevant to this transaction for final transfer to your account.

Finally, do send to me your direct phone numbers via my private email ID below for security and confidential reason.

I am looking forward to hearing from you and working with you soon, bye for now and have a nice day.

Thanks and Best Regards,

Mr. David Mahlobo,
