

Hello,

I apologize to encroach into your privacy in this manner, I got your contact from a directory on the Internet here in Afghanistan. I find it pleasurable to offer you

my partnership in business and i pray at this time that, your e-mail contact address is still valid. I know you don't know me but i meant no harm sending you this

note, just that I don't have anyone out there to talk to, as I lost my parents in a car Accident, when I was 11 year old, I was raise up by my adopted parents, but

they died years ago, the relatives of my adopted Parents throw me out of the house saying that I was not their real daughter. I know you can handle this money for me

on till I come over to meet with you, we can also build friendship with this transaction. I lived in Lake Jackson, Texas before joining the Force.

You may be wondering why I choose to trust a delicate matter like this in the care of a stranger, but this is the best I can do in my present situation and I would

have trusted this kind of project in the hands of my Husband who was my closest confidant, but I lost him to cancer on 22nd April, 2006 5 months after we got married,

and my only brother has ruined his life with hard drugs, hence my decision to work with a neutral person if we can establish some trust between ourselves instead of

confiding in my buddies back home so that this little secret can be preserved.

Let me start by introducing my self. My names are Sgt. Monica L. Brown, I am assigned to 782nd Brigade Support Battalion, 4th Brigade Combat Team, 82nd Airborne

Division[3]. I am seeking your assistance to evacuate the sum of \$10,500,000.00 (Ten Million, Five Hundred Thousand United States Dollars) as far as I can be assured

that it will be safe in your care until I complete my service here.

SOURCE OF MONEY:

I and some other high ranking Officers made some deal on oil business over there in Afghanistan before my exit to Iraq. The deal worth \$132 Million United States

Dollars and after we have all share the money I later realize \$10.5 Million US DOLLARS which is my personal share of the deal, due to my status as a US Sergeant, I can

not be able to move this huge funds to my account in United States to avoid further interrogation or face any kind of probation by the U.S government and I packaged my

own share in a briefcase and have sent it to the Red-Cross society, because there is no other way out to keep it with me here, so with the help of a German contact

working with the UN here (his office enjoys some immunity) I was able to get the package out to a safe location entirely out of trouble spot. He does not know the real

contents of the package, as I have deposited the consignment as a family treasure. Your acceptance to this would encourage me to send further information for us to

proceed.

Furthermore, If my offer is of no appeal to you, delete this message and forget I ever contacted you. Do not destroy my career because you do not approve of my

proposal. I believe that such opportunities only come ones way once in a lifetime. I cannot let this chance pass me by. For once I find myself in total control of my

destiny. This chance won't pass me by. I ask that you do not destroy my chance, if you will not work with me let me know and let me move on with my life but do not

destroy me. If you give me positive signals, I will give you the relevant details and initiate this process towards a conclusion. I send you this mail not without a

measure of fear as to what the consequences, but I know within me that nothing ventured is nothing gained and that success and riches never come easy or on a platter

of gold. Do not betray my confidence.

If you wish to proceed with this, please get back to me. Via my personal Email([sgtmb7713@outlook.com](mailto:sgtmb7713@outlook.com))

Regards,

Sgt. Monica L. Brown.
