From all indication from her doctor her conditions is really deteriorating and it is Quite obvious that she wouldn't live more than three months, according to her Doctors and in all indication regards to medical analysis.

This is because the cancer disease has gotten to a very bad stage that no hope for her to be a living person again as her doctor stated.

I visited here and she requested that both of us should have meeting with her doctor and her doctors advised that she may not live for more than three months and 2 Weeks and warn her to decease from thinking over who is going to inherit her.

With her respect to me as her banker knowing what will be the result if she pass away, I made a good plan and move her family fund what of \$20.5m to a good paying company in Spain in her name for security of this fund till she advised me what I will do with the above stated fund before late

Today she called me and decided to donate contribute her family fund to the less privileges, charity and Orphanage homes also request that I should contact a good person/ a Christian who will help her to use the above stated fund as stated .

She told me that her decision was made after listing to the news line about 100 years old Woman who secretly donate her fortune upon her death as link stated below,[e_://www.myfoxspokane.com/dpps/news/dpgoh-woman-donates-secret-millions-uponher- death-fc20100305_6410207](http://www.myfoxspokane.com/dpps/news/dpgoh-woman-donates-secret-millions-uponher-death-fc20100305_6410207)

As her banker I choose you after viewing your profile and I have confident in you because have prayed that God should help me to contact a good person who will help this woman and use this fund the way it will please her mind.

As she requested I am willing to send you the sum of (\$20.5million US dollars) which was deposited with Fiduciary Financial Officer in Madrid Spain now to enable you use it to the less privileged as she requested.

If you can be able to use this fund as she requested I will only request for all your contact information's to enable me direct you to the paying company in Spain for approval and hand over of the total stated fund to you in a way you will advice. As her banker be informed that I am in position to get this humble plan down without any question or delay.

Lastly, I honestly pray that as I hand you over this fund that you will use it as she requested for her mind to have peace.

I could have delay his request and find means to use this fund but I come to know that if I do it I will not have rest of mind because she trusted me before handing over her family fund to me and more over I have come to find out that wealth acquisition without god is vanity according to the wisest king in Israel king Solomon as she made up her mind and promise to God that the fund will be use to help the needy and the less privilege.

May the grace of our lord the love of god and the fellowship of god be with you and your families as you reply to help this lady,
