## *URGENT TRANSFER ASSISTANCE*

I am Mr. Paul Zuma a chartered chief auditor with NEDBANK of South Africa. I got your contact address from your country s through online directory. You're impressive and managerial records made me to solicit for your partnership in these regards. You are the only person that I have contacted for this business, with the believe that you will not let me down.

After going through some old files in the records during the audit for the year in my own department which I am heading now, I discovered that there was an account opened in this bank since 2000 and since then till now nobody has operated on this very account.

The owner of this account as I discovered from the bank record secretly , is Late Mr. Jerome N. Snaga, a foreigner and a miner at the Anglo Gold Platinum Mining Company in Mafikeng South Africa, as a geologist by profession and he has died since 2001 and Up till now, no other person knows about this account or anything concerning this money , no other persons name or group was documented as the beneficiary of this money because according to my investigation which I made last few months ago proved to me that his family and his company does not know anything about this account , because the company was bankrupted after two year of the death of Late Mr. Jerome N. Snaga.

The amount involved in this discovered account is US\$ 9.Million(Nine Million United States Dollars) and I want to transfer the total fund to a safe bank account overseas before my resignation from my bank. Meanwhile I contact you as a trusted partner who will stand as the beneficiary of the fund and next of kin to Late Jerome N. Snaga to claim this fund in your name. I will secretly put your name in the file of Late Mr. Jerome N. Saga's file to enable you claim the fund successfully. I am only Contacting you as a foreigner because this fund can not be approved to a local bank here.

So I only need your full co-operation in order to achieve the success of this project and be informed that our management is ready to approve this payment to whoever that has correct information to this very account of which I will relate to you later, if you are able to handle such fund in strict confidence and trust according to my instruction and advice for our mutual benefits because this opportunity will never come again in my life. I need your strong assurance, honesty trust and reliability because with my position now in this office the fund will be transferred successfully. Please you can contact me through this

**E-mail address: paulzuma1@gala.net**

With my full position now at my department I can even transfer this money to any reliable foreign account, which you can provide to me with assurance that this money will be intact pending my physical arrival in your country for sharing of this money.

Be assured that you stand no risk of any kind as the fund belongs to us now, Therefore, after the eventual stage of the transfer of this fund, I will offer you a reasonable amount to the sum of 30% from the total fund, and after the successful transfer of this fund to your bank account we will remove 5% from the fund to offset every expenses we might have incur during the course of this project.

Do indicate your private contact address, phone number & fax number for further communication on this project. Looking forward to hear your urgent response today, thank you for your co-operation.

Best Regards,

Mr. Paul Zuma  
(Chartered Auditor)
