Compliments,

I have decided to bestow this trust on you, which I pray you will not ignore or betray me. I apologize in advance for any inconveniences this may cause you knowing that you may have received this letter in the past, but I am here to let you know that this is a genuine and 100% risk free business proposal.

I work with (CAPITEC BANK) of South Africa. In December 2003 one late Dr. Sabir Mohammed Hassan, who was a Sudanese contractor here in Johannesburg South Africa lost his entire family in the Air-Crash on board from Cotonou.<http://news.bbc.co.uk/2/hi/africa/3348109.stm>

As a matter of fact, Mr. Sabir M. Hassan made a fixed deposit Amount, valued at(USD \$10 M) Ten Million United States Dollars with our bank, CAPITEC bank of South African And upon the duration time of their Agreement, our bank started contacting him but no response.

Consequently, the Board issued me a notice to provide Dr. Sabir Mohammed Hassan's NEXT OF KIN before the bank has his account confiscated after four years, as it is in the law of our country. Since then, I have made several contacts to His Countries Embassy in order to locate any of his extended relatives, which had also been unsuccessful.

I want to make you the Next of Kin for us to claim before the money will be transferred into government treasury as unclaimed. Please get in touch with me as fast as possible through this email address : and/or phone +27-783-984-885 to enable us discuss further the progress of this business, but if you feel uncomfortable to participate in this deal please ignore this message and pretend you never receive this information.

Thank you very much for your cooperative understanding, and looking forward to receive your positive reply to this regard. And as a matter of fact keep this deal confidential.

Yours faithfully,

**MR. JIM SPELING**
