

Hello,

I work as the Head of Accounts and Auditing with one of the leading bank in South Africa. I am requesting your indulgence in re-profiling funds totaling \$US15, 200,000(Fifteen Million Two Hundred Thousand United States Dollars) which we want to remit to a foreign account. I am contacting you as a foreigner because this fund cannot be approved to a local Bank here in South Africa since the funds are in a domiciliary account belonging to Mr. David S. Leavitt, an American who he died in 2007 in a boat crash along with his wife and only Daughter on 31/01/2007.

This transaction will be well supported by relevant documentations so you have nothing to worry about because the funds will be remitted to your account by the bank as a beneficiary to the deceased without any breach of the laws because all effort to contact any members of his family has failed. Our advantage in this transaction is that nobody has ever contacted the bank for the funds release since the death of the client and the bank is willing to release the funds in line with the South African banking regulations.

Please, I am proposing 40% for you for your assistance and I will receive 60% of the said funds (\$US15, 200,000). If you are interested kindly forward your information to me as stated below so that the necessary changes can be made in the bank database to enable you apply to the bank for the funds release in line with the bank foreign remittance procedures;

- (1) Your full Names
- (2) Your direct telephone and fax numbers
- (3) Your occupation
- (4) Your age
- (5) Your contact address

All that is require from you is your honest cooperation to enable us see this transaction through. I guarantee that this will be executed under legitimate arrangement that will protect you from any breach of the law. Your reply should indicate your willingness in assisting us. And I will send you all the necessary application documents including the deceased Bio data that you will need to process an application for the claims of the funds. I look forward towards a good business relationship with you.

Regards.

Mr. Roland Tadebe.
